WE'RE FISH

Since 1974, Friendly Independent Sympathetic Help (FISH) has been offering Lexington residents one round-trip ride per week to medical appointments in Lexington and vicinity, including Boston.

All rides are free-of-charge, except for parking fees and tolls.

FISH relies exclusively on volunteers to provide rides and on donations from generous Lexington residents and organizations to cover operating expenses.

WHEN YOU NEED A RIDE

Call 781-861-9300 only between the hours of 9:00 am and 1:00 pm two FISH operating days before your appointment date.

IMPORTANT: See the section "2021 Calendar of FISH Operating Days" and the monthly calendars on the other side.

Leave the following information with the answering service:

- your name
- address
- phone number
- pick-up time
- destination
- time of return
- possible delay. Are you having a procedure that might result in a delay, such as cataract surgery?
- any special conditions. For example, do you use a wheelchair or have other ambulatory concerns? Will you be bringing a companion?

A FISH driver will call you to confirm the arrangements, or a FISH phoner will call you to let you know that no FISH driver is available to drive you to this appointment.

POLICIES

You may schedule one ride per week. (See below for scheduling information and other side for calendar.)

Rides are free. Clients are responsible for any parking fees or tolls.

We are always grateful for donations.

2021 CALENDAR OF FISH OPERATING DAYS*

For a ride, call two FISH operating days before your medical appointment. When FISH is closed, no rides are available. FISH is closed on Saturdays and Sundays and weekday holidays. Skip the days FISH is closed, which are shaded on the calendar, when counting back two FISH operating days.

For example: If you need a ride on Wednesday, November 17, call FISH by 1:00 pm on Monday, November 15.

If you need a ride on Monday, November 29, call FISH by 1:00 pm on Tuesday, November 23.
